

BACK TO SCHOOL

NORTHWEST ASSISTANCE MINISTRIES NEEDS YOUR HELP!

Giggles and grins. Oohs and ahhs!

Goal is \$31,000

NAM is alive with energy when families pick up their school supplies in August. Your support makes that possible.

Each year, NAM hosts a Back to School Drive to purchase school supplies for local children in need, from kindergarten through 12th grade.

Last year, more than 1,500 students in Spring, Klein, Aldine and Cy-Fair ISD's received their supplies from NAM.

This year NAM has partnered with Payless providing 115 Kindergartners a \$20 gift card for new shoes and Academy will be providing 115 1st and 2nd graders a \$30 gift card for school clothes.

Excitement over supplies turns into an eagerness for the first day of school. When children have the tools they need to learn, it opens up a whole new realm of possibilities for the future; theirs and ours.
