

Redeemed Volunteer Orientation Saturday, July 20

You learned in April about a new Kinsmen mission partner, Redeemed Ministries, <https://www.redeemedtx.org/>, a Christ-centered ministry serving survivors of sex trafficking in the Houston area. Its mission is to serve domestic survivors of commercial sexual exploitation with a trauma-informed approach and a holistic program. Its residential clients are able to spend up to two years in their safe house. While in the program they receive wrap-around services that include case management, counseling, life skills classes, sobriety management, and a variety of other support services.

There are many ways to help: teach/lead a class, be a professional or personal mentor, drive clients to work, provide a meal for Sparrow House residents, work on a fund-raising activity, host a supplies collection, be part of the yard care and house project team, and more!

Are you feeling called to serve? Learn how you can help survivors of human trafficking by serving with Redeemed.
